

# Techno Associe Group Sustainability Basic Policy

The Techno Associe Group has developed its business with an emphasis on ties with all stakeholders, based on its Corporate Principles and Business Policy "Heart-to-Heart Bonds."

We will continuously aim to contribute to the sustainable development of society and improve our corporate value as a value-creating company that meticulously responds to social issues and customer needs.

We will actively promote initiatives to realize a sustainable society from the perspectives of "society," "environment," and "corporate governance."
